## (L)EDGE

AT CANNON BEACH GALLERY

THE Cannon Beach Gallery will be featuring the work of Cory Burnett in a conceptual installation entitled (L)EDGE from May 3-June 2, 2008. The official unveiling of the show will occur at 11 am on Saturday, May 3rd with an opening reception following later that day from 6-8 PM. The show will include a juried component selected by guest juror Betsy Millard from the Columbia Pacific Heritage Museum.

Cory Burnett was the 2007 recipient of the Cannon Beach Arts Association's Individual Artist Grant. Burnett likens his work with that of a post-modern cartographer interested in collecting data concerning the intersection of the natural world and personal stories about pragmatic space. Burnett utilizes digital and analog sources to explore boundaries, physical and psychological and translate this exploration of space into visual media.

"In much of my work I reference personal stories and their affect upon me while exploring my physical surroundings. It is through this effort that I am able to explore the connection between space and emotional planes."

Burnett holds a BFA in Multi-media design from the School of Arts and Architecture at the University of Oregon. Currently, Burnett pursues his creative interests while co-operating Crowerks LLC, a design firm focused on advertising package design, web and graphic design and professional photography in Cannon Beach.

Guest juror Betsy Millard has over 20 years experience in Museum

work. Beginning in prints, drawings and photographs she migrated to contemporary art after receiving a Masters Degree from the University of Kansas in 1984. From 1992-2001, Millard was the Executive Director of the Contemporary Art Museum in St. Louis. During her tenure, the Museum's revenues grew ten fold and its exhibitions became nationally recognized.

The Cannon Beach Gallery is located at 1064 S. Hemlock St. Hours of operation are 10-4pm, Thursday - Monday. For further information please call 503-436-0744 or email [cannonbeacharts@gmail.com](mailto:cannonbeacharts@gmail.com)
